

# **TENT INSTALLATION POLICIES**

**Delux Tents will not install a canopy if the site is not marked for utilities and sprinkler system lines.**

**Miss Dig (800)482-7171 must be called at least four business days prior to our arrival for utility lines marked. Miss Dig is a free service – in business to protect underground utilities and keep work crews safe. Miss Dig will identify and mark the location of all underground utilities. The homeowner is responsible for marking the location of the underground sprinkler system lines.**

**The tent location must be free from low hanging tree limbs, electrical, telephone and cable lines. The location of the tent must be clearly marked. It is best if you mark (roughly mark – does not have to be exact) the four corners of the canopy. If you are planning to be home, it is not necessary to mark the locations. Simply direct us when we arrive.**

**Do Not – under any circumstance - attach anything to the tents or side wall fabric.**

**Delux Tents and Events, LLC will not be liable for injuries or damages caused by fire, rain, hail, sleet, snow, high winds, tornadoes, floods or other disturbances of nature. Understand that tents are temporary structures. Keep safety as an overriding priority of your event. Do not seek shelter from severe weather under a tent, if it is not safe to be outside, move guests inside or under a permanent structure.**
